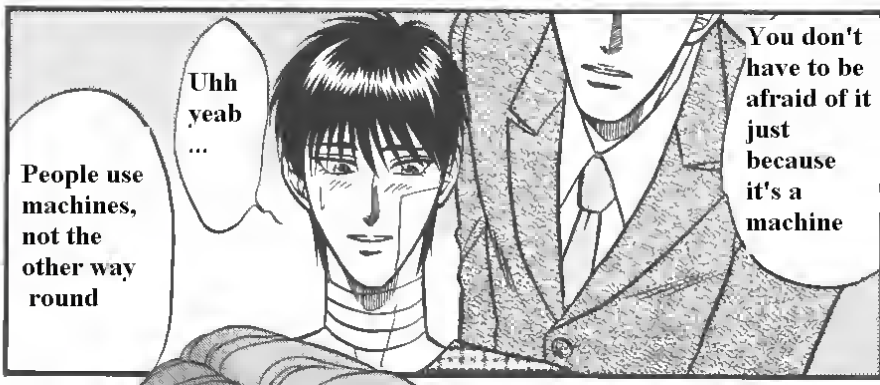
ERROR
Huh? An error message ?



People use machines, not the other way round
Uhh yeab ...
You don't have to be afraid of it just because it's a machine

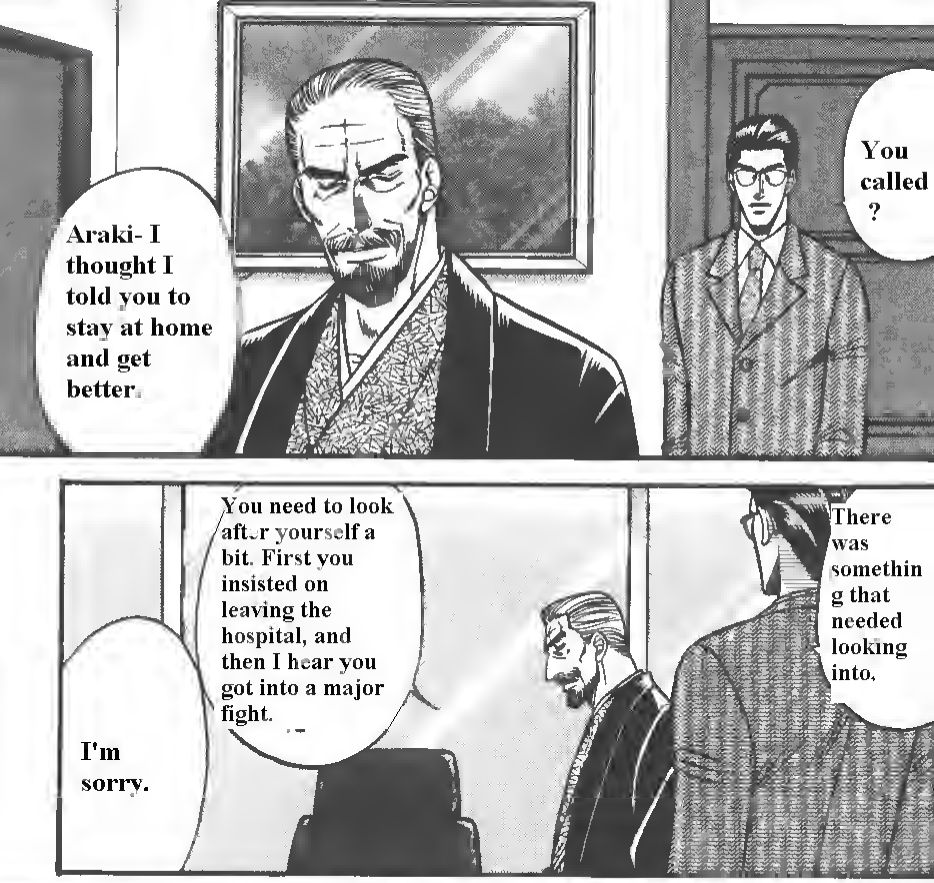
If you're going to be living with Araki-san from now on, there are things you should know.
I think we should talk a bit, just for a change.

It's about his deceased wife. I'm sure he'll never tell you himself
how much he loved her, and how much it hurt him to lose her

The Serpent's Coils

其の九ー蛇の螺旋ー

ピッ
The Chairman wants to see you
What is it?
Very well. I'm on my way.
Excuse me.
Come in
ニヤニヤ



Araki- I thought I told you to stay at home and get better.
You called ?
You need to look after yourself a bit. First you insisted on leaving the hospital, and then I hear you got into a major fight.
I'm sorry.
There was something that needed looking into.

Scanned by Yavannah

But... she was a bit handica pped mentally .
Yes. Her name was Hisako. A lovely woman, always carefree and smiling
Araki-san's... wife?
They got along very well together ...
Still, Araki-san loved her, handicap and all.
I don't like this somehow. My chest hurts...
He was a devoted husband
All the love he had, he showere d on her

No.. I don't want to hear about his wife
Just looking at him now, I can believe he was a devoted husband.
Why are you telling me this?
The differen -ce?
I'm telling you so that you'll learn to understand
the difference between love and sympathy
Araki-san loves you

But it's not possible for him to love you.
No.. no, I don't..
Or so you think
I told you- he gave all his love to his wife
I don't think that!
I'm not that conceited!
You do think he loves you, yes? So you can't tell the difference yet.
He's never loved anyone from the day she died
And now there's none left in him at all

Yes ...
Has it really been seven years since she died...
Not me, and not you.
I was very depressed when my granddaughter Hisako died before me.
But you can't let yourself go dragging along forever.
It makes you stronger than ever- it strengthens your feelings.
Having someone to look after doesn't mean you're vulnerable. It's the other way round.
Araki -san, you need a family.

It's about Kazama Ryuuji-kun. What are you thinking of doing with him?
Well, I'm not telling you to hurry up and get married again
You should do what's right for you. However, I sent for you on another matter.
I know you're right...
It's not that.
If he doesn't mind, of course. What's the matter
You don't like the idea?
You want to adopt him...
He won't be happy staying dependent on you forever.
So I was thinking ....
I'd like to adopt him as my son.
I appreciate your kindness. It would be the best thing for him
But ...

I'm being selfish here, but....
I'd been thinking, that I'd like him to take my name.
Very well
But what? Speak up.
Oh, really ?
Take it as just another kind of love
It's not true. Just last night he said that very word to me
You say he has no love left...

Scanned by Yavanna

His wife was a little neurotic
Was it pity? Did he say that because he felt sorry for me?
It happen -ed right here.
カラン!
This is where she jumped to her death

He thinks it's his fault that she died.
Araki-san has always blamed himself incessantly.. 'Why didn't I realize sooner?'
The person who drove his wife to her death
But it wasn't his fault- I know tbat.
For the sake of his obligations to the name of Kazama, he sacrificed his family in order to protect a certain 'Kazama Ryuuji' from the dark
It was his fault for being blind. And he's spent the last seven years regretting it.
Why.. why me...?
Was you, Kazama Ryuuji -san

Anh ...
His wife was three months pregnant when she died
It was his first child.
It was Kazama Ryuuji who killed his wife and child
This is what I think

Do you really think he could love you?
You didn't do it directly, of course. But you were the reason that led to their deaths
Oh.. I almost forgot.
That's all I wanted to say.
Understand what your real situation is.
I think you're the angel of Death.
You look like you wouldn't harm a fly. But you bring death to anyone who gets near you.
I don't think of you as a human being.

キィ…
I'll be getting back to the office now.
Good-bye
バタン…
……
I'm so dumb.
I'm so... conceited ...

For the sake of the child who died with Hisako
I want to do for Ryuuji all the things I couldn't do for him
So you want to act as Ryuuji-kun's father?
Yes.
He's still fighting the idea of a family. But I think of him as part of mine.
Even more than that, since he arrived I've been changing a bit too
I see. So you'll be getting a grown-up son all of a sudden.
Yes. If he can get used to the idea
But the two of you haven't been living together for long. Do you think it's really alright?

It's not so hard to smile now.
Yes, I do.
Oh? You feel some-thing's different ?
I'm sorry if I had you worrie
uh
Well, it's a relief to hear.
Anhh... if you're sorry about that, then get yourself back home to bed.
キュッ
I see. That's progress
Certainly . What is it?
Oh... and tell Ryuuji something from me?

Sir ...
If he doesn't want you, he's got an adoptive grandfather waiting for him here
バタン
I'll tell him that after he turns me down.
No. He said he wanted to try doing it by himself
It's Hibiki
I'm coming back to the office

Yes... Good -bye..

Forgetting everything the man they love told them... Love's a pretty flimsy thing after all
Believing every-thing a stranger tells them

Don't come near me! Liar! I hate you!

Weak people have no right to love a man like that
I don't want to hear it! Stay away!
Your husband is always saying...
No!! Go away!
Hisako is revolting
No! It's a baby! It's Hitoshi -kun's baby!
Hisako is revolting. She's got something growing in her belly.

The more they're loved the more they want to be loved.

I'm not even able to love, and they...

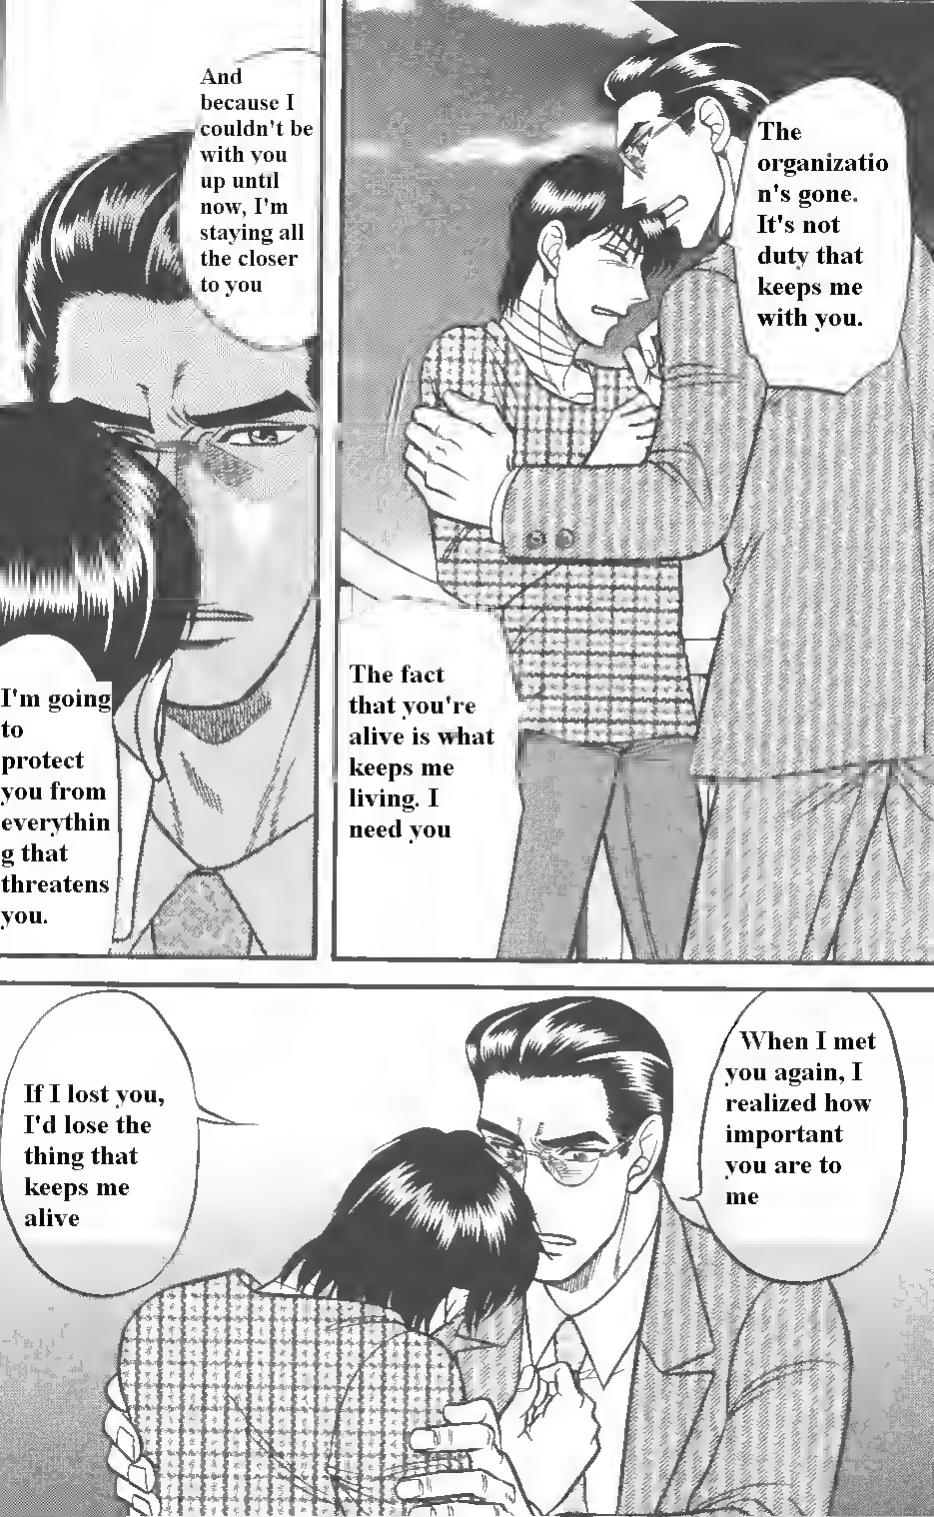
This is where she died...?
!
Your wife
What're you saying??! I told you not to go on the balcony!
You thought I'd jump?
It's not safe there... Come here... quick

!
You sacrificed your wife to the Kazamas, but what did it get you?
What --?
You were wrong, Araki-san. You were wrong to do it
What did Hibiki tell you...?
Yes I do! You blame yourself too!
My wife's death had nothing to do with you! You've nothing to blame yourself for.
It's not right! It's not right at all! Clinging to your 'obligation' to go on looking after me!
You think that will make your wife rest in peace?!

No...
Liar!
No!!
When she died, you blamed yourself, right? For getting involved with me? For not breaking completely with the Kazamas?
You're only doing for me what you wanted to do for her. And when you do that....
The kinder you are to me, the more you betray her!
It's not just duty
Why do you care about me so much? You should just forget your duty to the Kazamas!
Just forget about me!!



And because I couldn't be with you up until now, I'm staying all the closer to you
I'm going to protect you from everything that threatens you.
The organization's gone. It's not duty that keeps me with you.
The fact that you're alive is what keeps me living. I need you
If I lost you, I'd lose the thing that keeps me alive
When I met you again, I realized how important you are to me

What do you want from me?
You're doing all this for me and I can't give you anything back!
It's OK.
Nothing. And if there was...
So I'd ask you- please don't say such sad things to me
I can't!
You should forgive yourself too. Stop taking on other people's guilt
How can you ....
It would be that you stay and be happy witb me.
That's what would make me happies

But I was always focussed on you. For a longer time than I'd known her even...
I swore to love my wife as long as she lived
I have my own guilt hidden inside me.
So it's not your fault
It's mine.
If what I feel is love, then I betrayed my wife from the very start

Come in
What did you tell him
You sent for me?
Hibiki ....

I didn't send you there to go telling him things he doesn't need to know.
Cut it out. I asked you to teach him.
'Him'? Now what can you mean?
What ?
If he's so important to you maybe you should put him in a box and keep him there?
Don't start putting ideas into his head and getting him worked up
All you've done is overfee d him with treats
I'd say he needs a stick taken to him, myself.
Keep him chained up and give him food, and watch him wag his tail...
Are you being funny?

nh
Are you trying to destroy all the trust you've built up for yourself with me?
Hibiki!
Rule him as you rule me... that's fine. That's the way you've always been
Y..you don't know... just how much you dominate people
You should be proud... independent !!
Why?? Why are you throwing your pride away for one measly boy?
But to me it looks like you want him to rule you

Enough Go.
I won't be asking you to help him after today.
That's what you really think..?
It's because you want to think that way
I've never once wanted to dominate anyone. If you think I do it to you
There's no one but you ...
There's no-one else I want to serve but you...
I'm not here to embody your ideals.
If you've any objections to that, I don't mind if you quit now...
No!!

there won't be any second chances for you
Do as you please. But if you ever do anything to hurt him again
Forcing me down with his irresistible power and putting me in awe of him
Drawing me towards him while pushing me away.
I... understand. I beg your pardon.
He has no equal. And for him to be dominated by a boy like that...
If that isn't domination .... what is it ?

It's all over, Iba-san
What ?
Kizaki, is it?
So you ran away from them and here you are. What's the big idea?

You said you wanted to go on a trip, but that was just an excuse to let this Sagano have a look at me, right?
It's OK.
If you really don't want to, we'll cancel it. I'll tell him
I told you, it's OK. I'm just a bit pissed off.

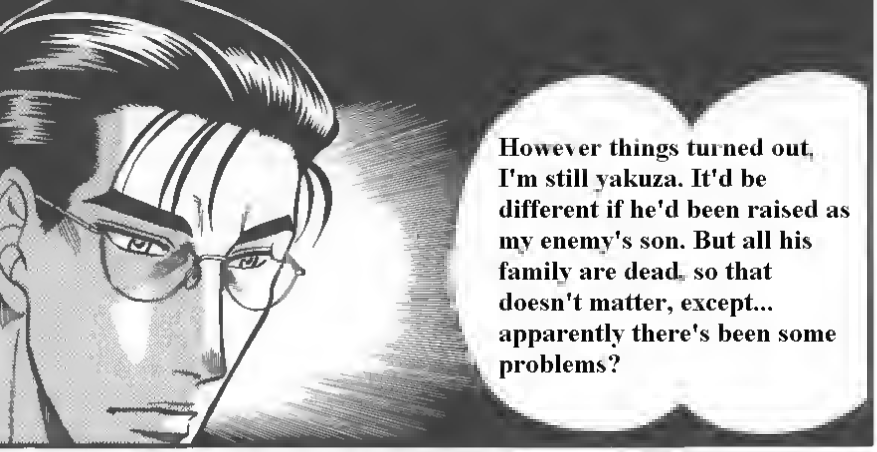
But he's just an old man. Masa's not like him at all
Masa's a real man.



However things turned out, I'm still yakuza. It'd be different if he'd been raised as my enemy's son. But all his family are dead, so that doesn't matter, except... apparently there's been some problems?

Mh. There's been some small fry going around looking into Kazama's circumstances. Probably the doing of some gang that went out of business at the same time as the Kazamas
You've heard some-thing?

I know your ability, but you can't keep watch over Ryuuji-kun twenty-four hours a day. Do you really think you can?
I could stop them before they get established. But even if I cut them off at the root, there are branches I can't see at all. If you and Ryuuji-kun joined the Sagano organization, I could protect you so that no-one could lay a finger on you

Hang on!
I'll get you to the hospital
Oyaji !!

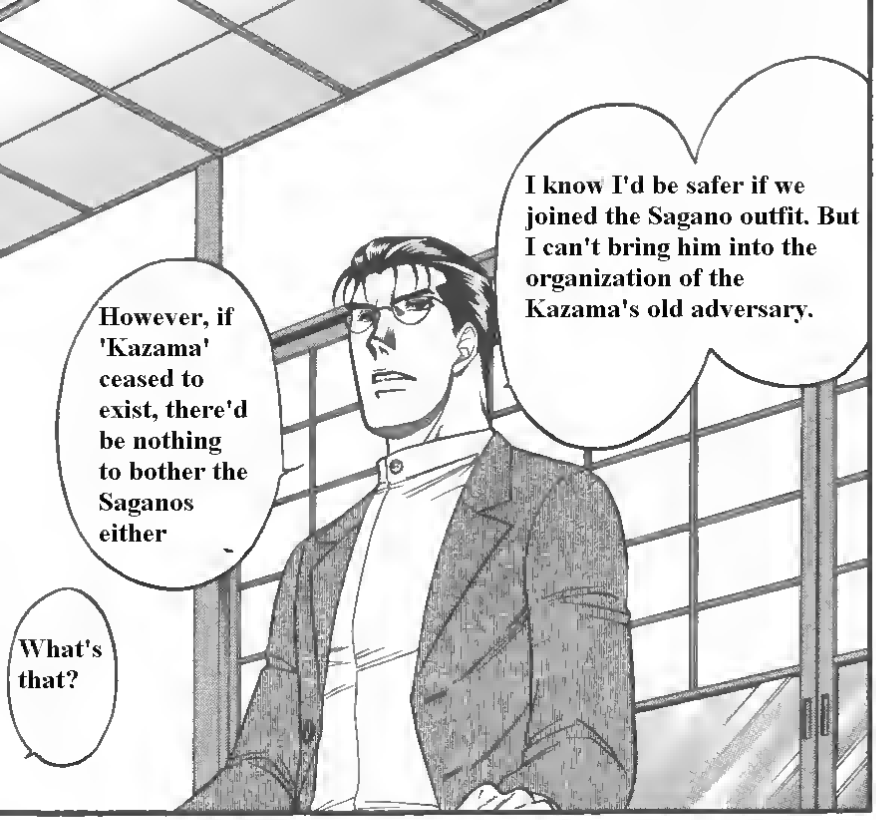
Ryuuji ....



I know I'd be safer if we joined the Sagano outfit. But I can't bring him into the organization of the Kazama's old adversary.
However, if 'Kazama' ceased to exist, there'd be nothing to bother the Saganos either
What's that?

If anything should happen to me
I entrust Ryuuji-san to you

With the outcome of this current battle
I'll erase the very name of the Kazama-gumi.

You're useless at games! It's no fun playing with you!
I give up! Give me a break!
Kai-bou, Ryuuji-san, can I come in?
Yes. The Don would like us to have dinner with him tonight. Do you mind?
Ah, Araki-san? Finished your business?
Sorry to interrupt
Gotta reset this
Don Sagano.. if anythin happens to me

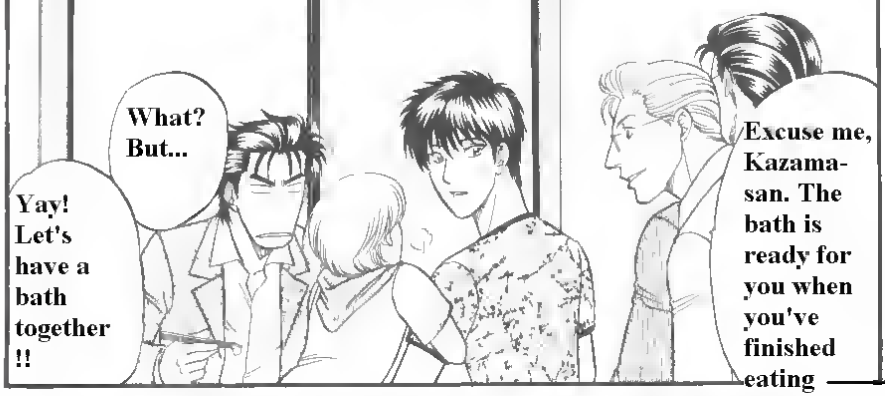
For Ryuuji-san now, the past is just a chain around his feet. For him to be reborn as plain Kazama Ryuuji
and to go on living that way, he needs a peaceful life that wipes out that past
Araki... how're you going to 'do away' with it?
Yes, but think about it a minute, Araki. Maybe you think you're doing this for his sake,
but if anything happens to you and he's left alone, what then?
Yes
You've been messing around with the Kazama-gumi. You really think you can destroy it?

but you do realize there's nobody who can replace *you*?
You were talking about his life from now on, right? I'll do everything I can to help him
I'm talking sense here. You leave it to me. I'll take care of everything quietly
For Ryuuji -kun, there isn't anyone in the world who can take your place
Araki !
No, sir! This is a Kazama fight...

You're going poke your nose into this from the sidelines and dirty the bonds of brotherhood between us?!
I exchanged cups and pledges of brotherhood with Kazama and even if I die those pledges still stand!
This peaceful safe life you want for Ryuuji-kun, he won't have it if you're not here
Look, Araki.
.....
Forgetting the past will make him happy, yes, but what do you think your real role is?
I think what Kazama wanted you to do is to stay at his side and be his support

I'm asking you too. Make Ryuuji-kun happy.
I'm a father too. I understand how he must feel
Araki
That looks good, Ryuuji
Yeah? Which one? This?
...Don ...

Yeah. ... I love it!
It's sashimi. Want a bite?
It's sweet shrimp
C'n I have some ?
Kai! Sit down!
I'm sorry, Kaza ma-san
Bon, you have your own!
Yeah !
Good ?
But tbey're exactly the same!
Don' wannit !
Cut it out! Here-here, you can have mine.
Don' wannit. I like Ryuuji's
あーん
Here say ahh
It's OK. I don't mind.



Excuse me, Kazama-san. The bath is ready for you when you've finished eating
What? But...
Yay! Let's have a bath together !!

A-araki-san?
Well, if Kai says so, why not?
わっはっは
Bo Bon.
So you'll stay the night after all!

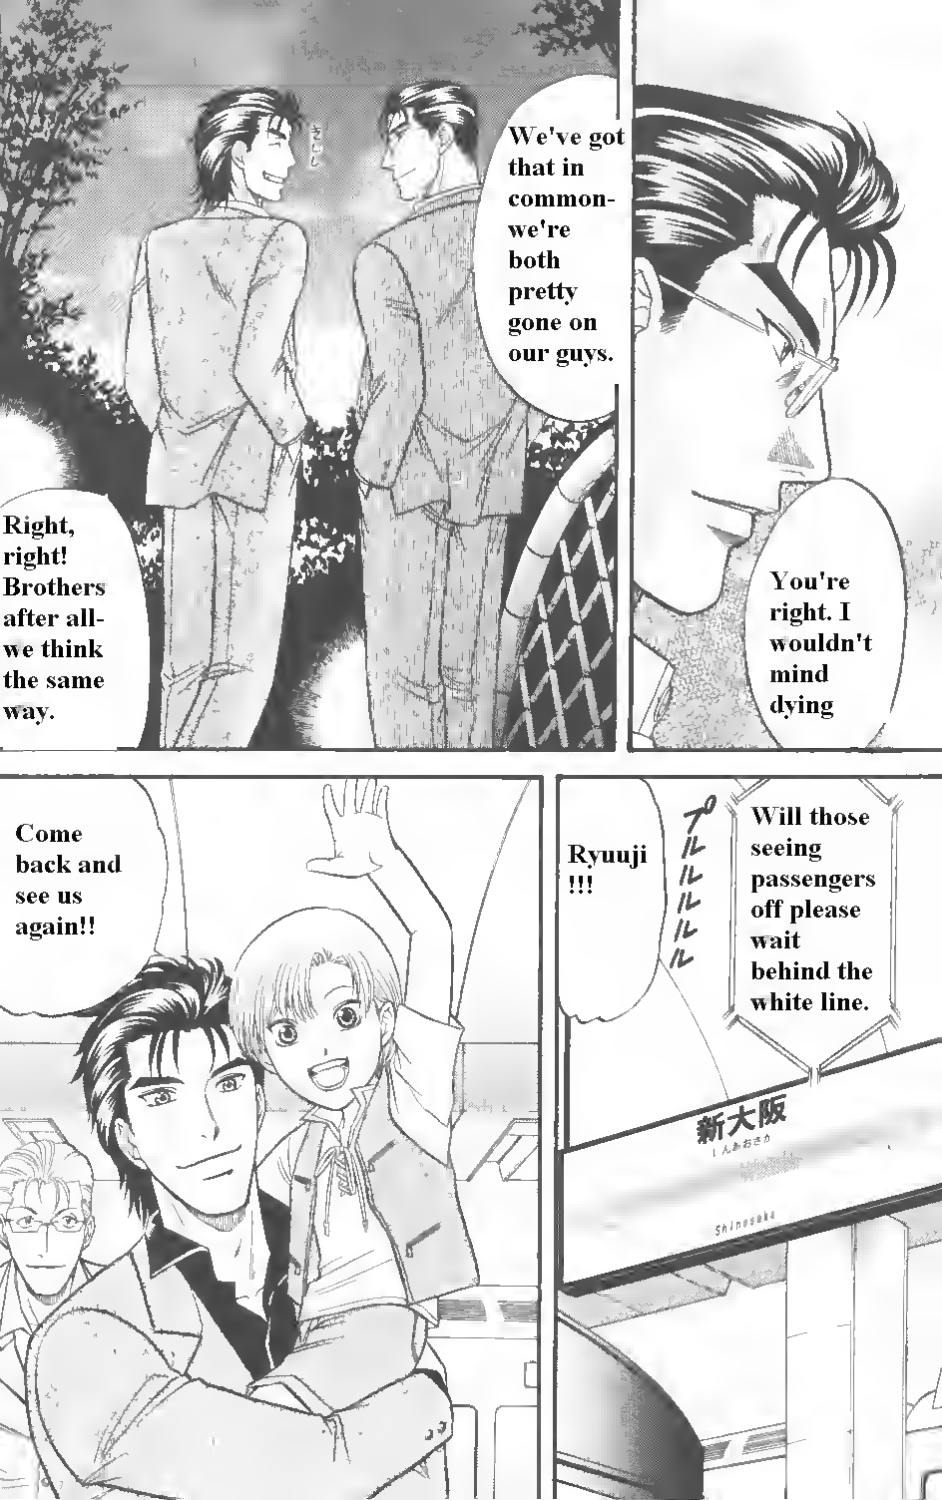
A
Do you mind? Having Ryuuji-san take your kid from you
Ahh- jeez
Kazama -san'll be worn out after this
Don't be jealous. Ryuuji-san's only taken him for this one day
A bit, yeah. He's always hanging on to me. It's kind of a let down
NO WAY !!
Whaat? You're lonely for me?
Mh?
Naa-- aniki --
You could come by here more often

When you don't come round... specially lately- I really get to wondering if you've died
I felt like it was Kazama oyaji talking to me
Get serious and stick by Ryuuji-san
Don't worry. I've just had the Don laying down the law to me as well.
Naturally ! I wouldn't mind dying for him
Mh.
And you, too... look after Bon

Scanned by Yaranaah



We've got that in common- we're both pretty gone on our guys.
Right, right! Brothers after all- we think the same way.
You're right. I wouldn't mind dying
Come back and see us again!!
Ryuuji !!!

Will those seeing passengers off please wait behind the white line.

Shinosaka

He's gotten quite close to you.
Uh-huh.

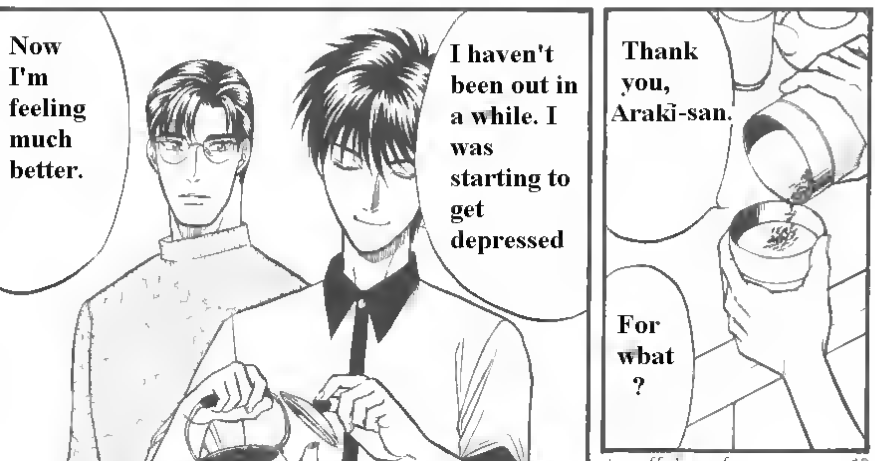
I worry about Masanori. He's always going on about how sweet Bon is and spoiling him rotten.
monopoli zing his Kai-kun like that.
Masanori -san probably doesn't like me much,

You do though. You're always so nice to me and it feels so good.
I spoil you? I don't think so myself
And I play along with it and let you do it.

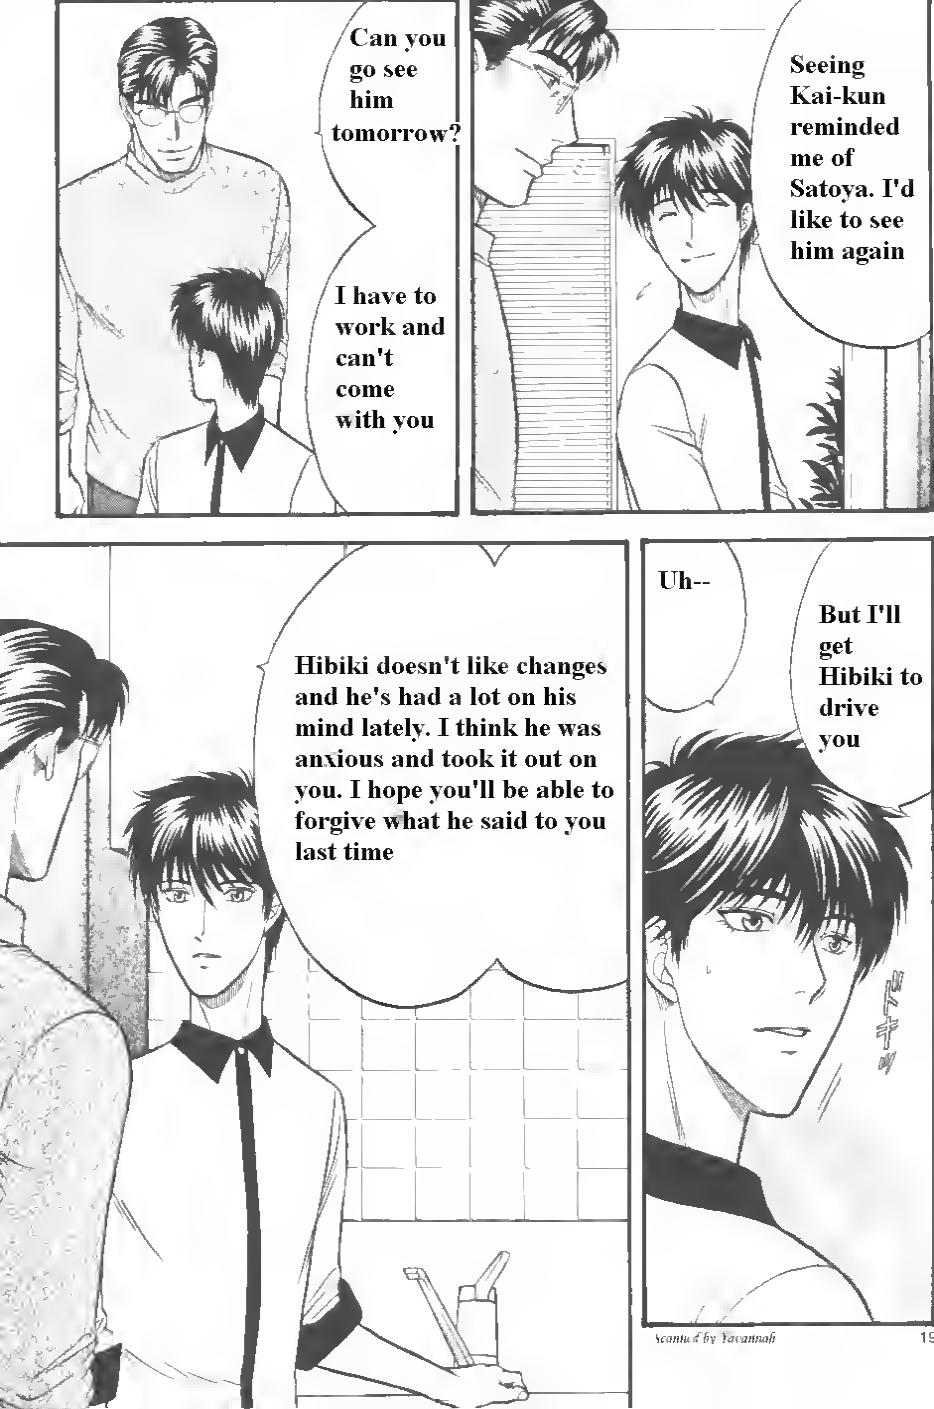
Hm? What way?
You can tell you two are brothers. You're exactly the same that way.
Spoiling people

Huh ?
I had to half-drag you to Sagano's but I see it was the right thing to do
And you don't know you're doing it. That's so like you.
I've never seen you look so happy
You do look best when you're smiling. It's neat.
What ---
This *guy*---
Ahh, I should have taken a longer vacatio

You've always been in my thoughts... for a much longer time than my wife
But I bave
He can say things like that without thinking twice and I go all funny. I've been trying my best not to remember them
I'm still not sure. Should I really believe he meant it?
Ever since that day Araki-san has never mentioned it again and never touched me
f this feeling is love, then I was untrue to my wife from the moment I met her
I'm too scared to ask
Or was he just trying to make me feel better? I just don't know

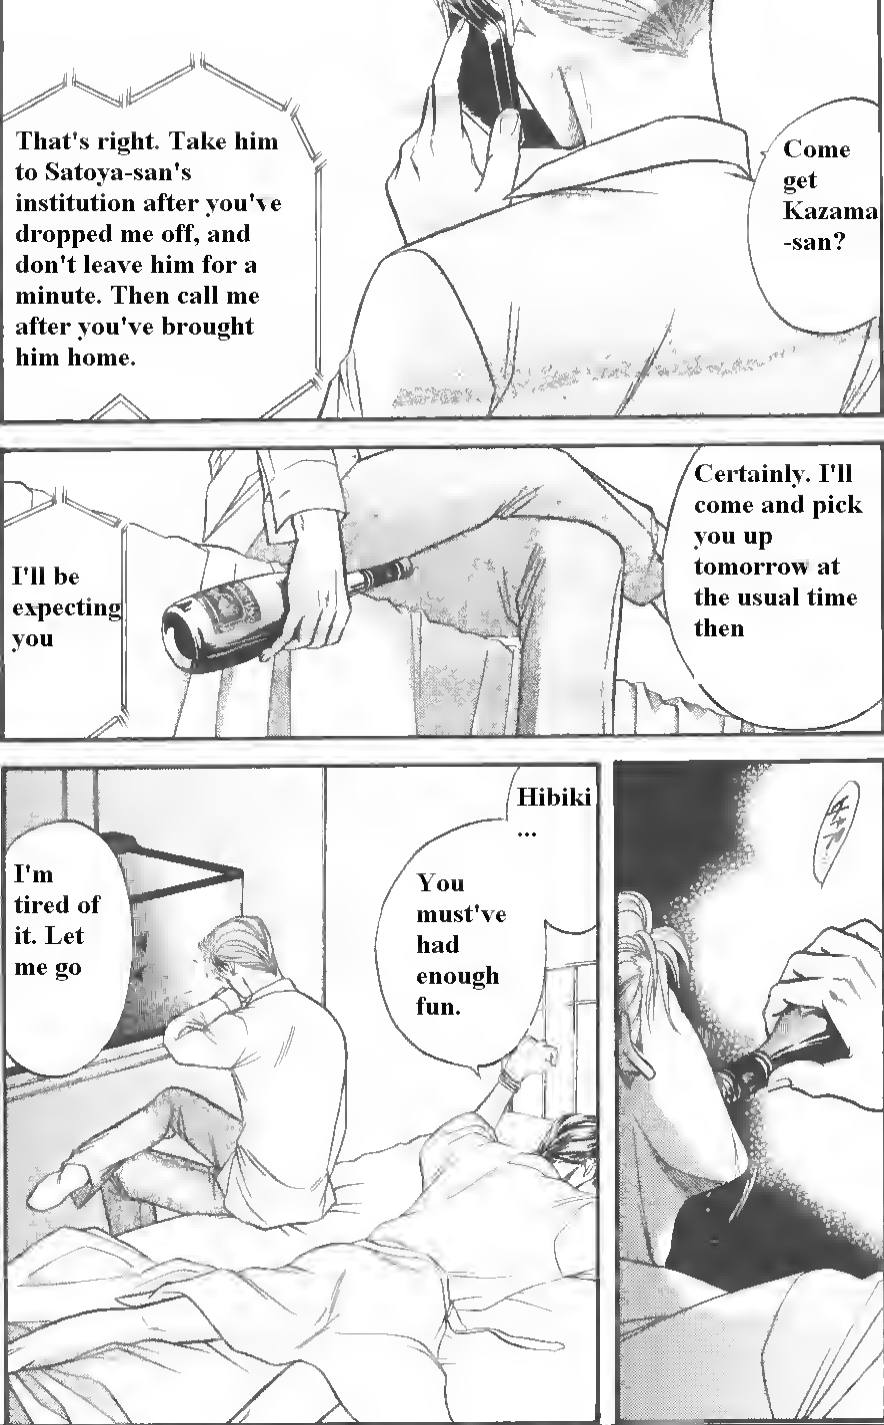


Scanned by Yaoiscan



Can you go see him tomorrow?
I have to work and can't come with you
Seeing Kai-kun reminded me of Satoya. I'd like to see him again
Hibiki doesn't like changes and he's had a lot on his mind lately. I think he was anxious and took it out on you. I hope you'll be able to forgive what he said to you last time
Uh--
But I'll get Hibiki to drive you

I told him to treat you the way he does me
I'd like you to trust him.
Aren't you hungry at all? I can make some-thing light
Sure
...OK
I'm glad
I don't really want anything ...
Nh-nothing but instant stuff
Hibiki-san won't want to drive me. He talked like he really hated me
I'll have to be careful not to get on his nerves



That's right. Take him to Satoya-san's institution after you've dropped me off, and don't leave him for a minute. Then call me after you've brought him home.
Come get Kazama -san?
I'll be expecting you
Certainly. I'll come and pick you up tomorrow at the usual time then
I'm tired of it. Let me go
You must've had enough fun.
Hibiki ...
ナナ

What? Are you talking to me
order -ing me?
Choose your words better... nii-san
It's just dripping out of you...
Don't, touch me---
I've made you all wet here, just like a woman
Nh--
Just be quiet and become my woman.
Give me any backtalk and I can rape you to death, right?
OW ...
Oh?
...you know you can't

You don't ever do anything yourself
You'd never get your hands dirty like that. You use other people and just stand by watching
You let things push your buttons but you can't do anything to stop them
You've always been like that... all you can do is hate everything around you, and only that, over and over
Ahh ...
You've still got quite the mouth on you. You want me to be nice to you again?
Oww --

You like it too, nii-san
That's fine. I've tied you too tightly for you to come
Ahh ....
nh ....
Ah ....
And you're always so bad at saying Please for it
See how happy I'm making you?

one punk kid... you can manage him yourself...
H- Hibiki- this time at least...
Kazama ... Ryuuji...
...oh, I suppose ...
I bet I'll be really turned on
At the moment he takes his last breath
